The philosopher and Catholic social innovator Jean Vanier is a teacher of the wisdom of tenderness. The L'Arche movement, which he founded, centres around people with mental disabilities. An inspirational interview shows how Jean Vanier brings the most paradoxical religious teachings to life: that there's power in humility, strength in weakness, and light in the darkness of human existence. Access this beautiful interview and other valuable spiritual resources at [www.NewPilgrimPath.com](http://www.NewPilgrimPath.com).
